Historic Preservation

Lewiston Public Library-Pillsbury Building **\$200,000**

Facility: Projects: Exterior.

Lisbon

Archives/Museum

Lisbon Historical Society **\$3,000**

Facility: 1960 concrete Structure. closed old school.; No climate control except heating.

Livermore

Arts Commission

Norlands Living History Center **\$303,000**

Facility: Norlands Living History Center needs capital improvements over the next three years. Currently only one of the eight buildings meets ADA standards.

Historic Preservation

Livermore Public Library **\$1,000**

Facility: Projects: Exterior. Interior.

Livermore-Livermore Falls Historical Society **\$19,200**

Facility: Projects: Exterior. Interior. Accessibility. Specialized.

Mechanic Falls

Libraries

Mechanic Falls Public Library **\$10,000**

Facility: This library needs more storage area for print and non-print materials; plumbing, heating, and electrical upgrades; a public meeting space; and a children's area.

Poland

Historic Preservation

Ricker Memorial Library **\$8,000**

Facility: Projects: Exterior. Accessibility. Landscaping.

Libraries

Ricker Memorial Library **\$11,000**

Facility: 1962 This library has met with an architect to work on plans and costs for a public meeting area.

Aroostook County

\$5,288,000

Bancroft

Municipal Vault Survey 2003

Town Of Bancroft

\$1,000

Facility: No fireproof vault or safe for municipal records.

Caribou

Archives/Museum

Nylander Museum

\$37,000

Facility: 1939 Wood structure; Dehumidifiers, RH/temp sensors

Arts Commission

Caribou Performing Arts Center

\$2,400,000

Facility: Needs include building a sizeable musical annex to include rehearsal rooms for band and chorus. as well as private practice rooms. offices and a music library.

Historic Preservation

Nylander Museum Of Natural History

\$70,200

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Archaeology. Landscaping.

Libraries

Caribou Public Library

\$150,000

Facility: 1911 Needs new windows. exterior walls repair. access to second floor. and climate control.

Castle Hill

Historic Preservation

Castle Hill Grange Hall

\$29,000

Facility: Projects: Drainage. Exterior. Interior. Specialized.

Fort Fairfield

Historic Preservation

Philo H Reed Home

\$88,500

Facility: Projects: Drainage. Structure. Exterior. Interior. Accessibility. Landscaping. Specialized.

Municipal Vault Survey 2003

Town Of Fort Fairfield

\$1,000

Facility: The safe is not waterproof/we had a flood in 1994/ had to restore wet records. They are to be moved to the 2nd floor/if we are threatened by another flood. They are now/mostly/in mylar sleeves for preservation & protection/stored higher on shelves.

Fort Kent

Archives/Museum

Acadian Archives/Archives Acadiennes **\$500**

Facility: 2004 Concrete. wood millwork interiors; Heater, dehumidifier, AC

Historic Preservation

Bangor & Aroostook Railroad Station **\$18,000**

Facility: Projects: Drainage. Structure. Exterior. Interior. Archaeology.

Hammond

Historic Preservation

Hammond School House **\$34,500**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Landscaping.

Houlton

Historic Preservation

District Court **\$290,000**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Landscaping. Specialized.

Superior Court **\$481,000**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Landscaping. Specialized.

Libraries

Cary Memorial Library **\$57,000**

Facility: This facility's exterior walls need maintenance/repair work. and the building also needs a heating system upgrade and a public meeting space.

Island Falls

Archives/Museum

Island Falls Historical Society **\$7,400**

Facility: 1900 Stone on concrete foundation; No climate controls other than hot air furnace

Municipal Vault Survey 2003

Town Of Island Falls **\$1,000**

Facility: Need more room. Door to vault is not completely fireproof.

Lille

Arts Commission

L'Association Culturelle et Historique Mt Carmel **\$500,000**

Facility: Needs include: renovation of basement theatre. reorientation of the stage. terracing of seating. in-the-floor heating. technical outfitting of the stage. additional restrooms. additional electrical fixtures. restoration of upstairs performance space. removal of zinc wall and ceiling covering. restoration of painted and stenciled walls and ceiling. adaptation of seating. technical outfitting of stage. in-the-floor heating. restoration of interior windows. painting exterior of building. original colors on exterior. complete two golden domes. seal and paint metal roof. Historic Preservation

Musee Culturel Du Mont-Carmel **\$245,000**

Facility: Projects: Drainage. Exterior. Interior. Accessibility.

Limestone

Libraries

Robert A. Frost Memorial Library **\$450,000**

Facility: 1942 This library is in the middle of a capital campaign for an addition. It needs an accessible entrance. bathroom. and ADA-compliant access to its second floor; adequate storage for print material; a public meeting space; and a children's area.

Mapleton

Historic Preservation

Haystack Historical Society **\$11,700**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Archaeology. Landscaping.

Mars Hill

Libraries

Walter T. A. Hansen Library **\$20,000**

Facility: 1952 This library needs an addition. Its current facility also needs exterior walls maintenance/repair; adequate print storage; heating upgrades; and an adequate children's area.

Monticello

Municipal Vault Survey 2003

Town Of Monticello **\$1,000**

Facility: No fireproof vault or safe for municipal records.

New Sweden

Historic Preservation

Lars Noak Woodworking & Blacksmith Shop **\$9,050**

Facility: Projects: Drainage. Exterior.

Larsson/Ostlund Two Story Log House **\$15,150**

Facility: Projects: Drainage. Exterior. Landscaping.

One Room School House **\$13,500**

Facility: Projects: Structure. Interior.

Orient

Municipal Vault Survey 2003

Town Of Orient **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Saint Agatha

Archives/Museum

Saint Agatha Historical Society **\$54,000**

Facility: 1854 Museum is wood; Preservation Center is wood. concrete floor.; No climate controls in 1854 structure; heater in visitors section.

Municipal Vault Survey 2003

Town Of Saint Agatha **\$1,000**

Facility: More money needed to build a bigger vault.

Sherman

Historic Preservation

Sherman Recreation Department **\$20,000**

Facility: Projects: Roof.

Municipal Vault Survey 2003

Town Of Sherman **\$1,000**

Facility: We need the town to approve funds for the construction of a walk-in fireproof vault.

St. Francis

Archives/Museum

St. Francis Historical Society **\$3,500**

Facility: 1896 Wooden structure. approx. 30' x 60' built in 1896; extension in 2002; No heating system

Van Buren

Historic Preservation

Acadian Village, Town Of Van Buren **\$175,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Accessibility. Landscaping.;

Libraries

Abel J. Morneault Memorial Library **\$100,000**

Facility: Needs an addition. and a new roof or roof repair.

Westfield

Municipal Vault Survey 2003

Town Of Westfield **\$1,000**

Facility: Vault inadequate. A completely different way to store is necessary.

Cumberland County

\$139,968,354

Bridgton

Archives/Museum

Bridgton Historical Society **\$22,200**

Facility: 1900 Wood frame. concrete floors in portion. concrete vaults.; No climate controls

Arts Commission

Bridgton Public Library **\$68,000**

Facility: The 1913 building is too small for the performing arts and exhibitions that the organization is currently presenting; there is a need for a multi purpose cultural building.

Brunswick

Archives/Museum

Peary MacMillan Arctic Museum **\$10,001,000**

Facility: 1903 Stone and wood; Museum collections room has HVAC system.
Individual exhibit cases/climate controlled.

Pejepscot Historical Society **\$126,300**

Facility: 1862 Skolfield-Whittier House- brick. granite. wood; Pejepscot Museum & Research Lib. brick. granite. wood; Joshua L. Chamberlain Mus.. wood. timber framed; Oil heat

Arts Commission

Bowdoin College Museum of Art **\$20,000,000**

Facility: Needs include a glass outdoor pavilion entry way on the side of the Museum; complete climate control systems; an enhanced sequence of flexible exhibition spaces; updated exhibition. interior and exterior lighting; an accessible entrance and interior accessibility upgrades permitting smooth and efficient movement of people and art throughout the building; more attractive visitor amenities; a welcoming entrance/orientation/ reception space; accessible restrooms; coatroom; museum shop; a dedicated teaching gallery classroom convenient to art storage and to public areas; reconfigured and consolidated art storage with upgraded fixtures and equipment; adjacent clean framing and matting area; an operational and secure art receiving and holding area; and reconfigured staff offices and conference room with attention to qualitative improvements to work environment.

Maine State Music Theater **\$917,000**

The consolidation and coordination of the computer system will allow the development software to interface with accounting and ticketing.

Historic Preservation

Joshua Lawrence Chamberlain Museum **\$130,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Archaeology. Landscaping.

Skolfield Whittier House **\$100,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Archaeology. Landscaping.

Cape Elizabeth

Historic Preservation

Museum At Portland Head Light **\$50,000**

Facility: Projects: Exterior.

Cumberland

Archives/Museum

Chebeague Island Library **\$1,200**

Facility: 1800 Wooden Building. new archives room; cement. steel & block; Climate controls unknown

Cumberland, Town of **\$12,000**

Facility: 1995 Town hall. Wood. 2 firepRoof. cabinets. wet sprinkler; HVAC system for entire building

Historic Preservation

Cumberland Cemetery **\$50,000**

Facility: Projects: Roof. Structure. Exterior. Landscaping.

Cumberland Historical Society **\$47,000**

Facility: Projects: Roof. Structure. Interior. Accessibility. Archaeology.

Prince Memorial Library **\$15,000**

Facility: Projects: Drainage. Exterior. Interior. Archaeology. Landscaping.

Prince Memorial Library **\$30,000**

Facility: Projects: Structure. Exterior. Interior.

West Cumberland Community Hall **\$95,000**

Facility: Projects: Interior. Specialized.

Libraries

Prince Memorial Library **\$20,000**

Facility: 1921 Needs heating upgrades and climate control.

Municipal Vault Survey 2003

Town Of Cumberland **\$1,000**

Facility: Just more space.

Falmouth

Libraries

Falmouth Memorial Library **\$500,000**

Facility: 1908 Needs new addition. print & non-print storage space. a children's area. and climate control.

Freeport

Archives/Museum

Freeport Historical Society **\$1,500**

Facility: 1830 Brick building with late 19th century wooden ell.; 1st & 2nd floor heated, window air conditioner.

Historic Preservation

Harrington House **\$689,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Specialized.

Pettengill Farm **\$105,000**

Facility: Projects: Roof. Exterior. Interior. Accessibility. Archaeology. Landscaping.

Gorham

Arts Commission

Art Galleries, University of Southern Maine **\$1,000,000**

Facility: The historical building on National Register needs a ceiling restoration and mechanical and lighting upgrade. The floor joints are corroded and need removing.

Gray

Historic Preservation

Pennell Institute **\$689,700**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility.

Libraries

Gray Public Library **\$1,988**

Facility: Needs new addition. accessible entrance. print & non-print storage space. electrical upgrades. meeting space. children's area. and climate control.

Harpswell

Historic Preservation

Harpswell Old Town Hall **\$400,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Landscaping. Specialized.

Libraries

Cundy's Harbor Library **\$95,000**

Facility: 1928 This library is developing a capital campaign for an addition. The current facility needs drainage maintenance and repair;; an accessible entrance and bathroom; a plumbing system upgrade; adequate meeting space; and an adequate children's area.

Harrison

Arts Commission

Deertrees Theater **\$200,000**

Facility: The ell portion of the theater needs to be restored.

Historic Preservation

Caswell Public Library **\$5,000**

Facility: Projects: Roof.

Libraries

Harrison Village Library **\$525,000**

Facility: This facility needs a new heating system and other renovation repairs that they estimate will cost \$525,000.

Long Island

Long Island Historical Society **\$1,200**

Facility: Concrete block. WWII fire station. Space shared w/rec. dept.; Small electric wall mounted heater in insulated storage closet.

Libraries

Long Island Community Library **\$60,000**

Facility: 2002 This relatively new library continues its capital campaign for windows. a second accessible bathroom; completion of plumbing and heating systems. and storage areas.

Municipal Vault Survey 2003

Town Of Long Island **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Naples

Archives/Museum

Naples Historical Society **\$7,200**

Facility: 1830 Museum - old fire station. wood. cement floor. no heat; archives - 1830's brick and wood. some window restoration; Museum - none; archives - oil heat

New Gloucester

Archives/Museum

New Gloucester Historical Society

\$1,200

Facility: 1886 1886 library. Now a meetinghouse - wood frame; oil heat; dehumidifier in vault.

United Society of Shakers

\$1,500

Facility: 1880 Library: Built in 1880. wood with concrete vault; eight other wood frame structures; Library: central humidity gauge, electric heat, dehumidifier. Museum: one air conditioner in Sister's Shop

Arts Commission

Fiddlehead Center for the Arts

\$6,000

Facility: Construction of an additional 5000 square feet of program space is needed.

Facility: The total "bricks and mortar" needs for the Wilhelm Reich Museum are as follows: replace original (1948) museum heating system; roofing repairs and replacement; renovate two bathrooms for ADA compliance; and install chair lift from museum 1st to 2nd floor.

Historic Preservation

Dallas Plantation Townhouse **\$35,000**

Facility: Projects: Roof. Exterior.

Orgonon - The Wilhelm Reich Museum **\$41,000**

Facility: Projects: Roof. Exterior. Interior. Landscaping. Specialized.

Rangeley Lakes Region Historical Society **\$9,000**

Facility: Projects: Roof. Exterior. Interior.

Temple

Historic Preservation

Temple Intervale School **\$10,100**

Facility: Projects: Roof. Structure. Exterior.

Weld

Municipal Vault Survey 2003

Town Of Weld **\$1,000**

Facility: We are in need of a bigger vault.

Wilton

Libraries

Wilton Free Public Library

\$1,200,000

Facility: 1915 This library is conducting a capital campaign for a new addition and for the following work: a new roof and windows; drainage maintenance and repair; an accessible entrance, bathroom, and second floor; additional storage space for print/non-print materials; plumbing, heating, and electrical upgrades; a public meeting space; a children's area; and climate control.

Hancock County

\$17,193,879

Aurora

Municipal Vault Survey 2003

Town Of Aurora

\$1,000

Facility: We have no vault.

Bar Harbor

Archives/Museum

Robert Abbe Museum

\$500

Facility: 1890 1. 1928. Brick. stucco. cement. wood renovated 1990's. 2. 1890. additions in 2000. wood & concrete.; 1. Collection storage has HVAC w/ heat, cooling, dehumidification & humidification. 2. Library/archives space has heat, cooling & dehumidification (no control at location). 2. HVAC with heating

Arts Commission

Criterion Theater

\$93,250

Facility: The Criterion Theatre is a 75-year old Art Deco theatre in Bar Harbor with almost totally original architecture inside. Varied concerts and arts events are held. Needs include: roof repair; and upgrade to the electrical system; installation of a lighting system including original copper lights on the front of building; renovation of the original 1932 marquee; repair of the original silk wall panels and repair to deteriorated plaster in dressing rooms and backstage.

Robert Abbe Museum

\$20,000

Facility: An upgrade of the electrical supply heating system. copper gutter system. preventive care for the masonry cladding. and repairs to their tile roofing are needed at the Sieur de Monts location. their needs include.

Historic Preservation

Abbe Museum

\$160,000

Facility: Projects: Exterior. Interior. Archaeology. Specialized.

Blue Hill

Archives/Museum

Blue Hill Historical Society, Inc. **\$30,000**

Facility: 1815 Wooden building; currently repairing foundation of an outbuilding; Oil heat; no humidity or air conditioning

Arts Commission

Bagaduce Music Lending Library **\$850,000**

Facility: The building must be fully renovated including the remodeling of the main building to host the entire collection and to convert the adjacent smaller building into a multipurpose room for rehearsals. lecture series. meetings. and other functions. The second floor needs to be renovated to be accessible.

Kneisel Hall **\$3,500,000**

Facility: New dorms are needed for 52 students. as is an upgrade to the studio and concert hall facilities.

WERU-FM **\$250,000**

Facility: Needs include a small transmitter for Augusta. a new transmitter to the station link. a physical extension of th building to house the library and two back up generators.

Historic Preservation

American Legion Hall **\$281,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Archaeology. Landscaping. Specialized.

Brooklin

Municipal Vault Survey 2003

Town Of Brooklin **\$1,000**

Facility: Current storage is in fire-proof file cabinets and on open shelves.

Brooksville

Archives/Museum

Brooksville Historical Society **\$350,000**

Facility: 1. Old boat shed. 2. Old farmhouse awaiting renovation.; No climate controls

Historic Preservation

Brooksville Baptist Church **\$190,000**

Facility: Projects: Structure. Exterior. Interior. Accessibility. Landscaping.

Brooksville Historical Society Farmhouse **\$270,000**

Facility: Projects: Drainage. Structure. Exterior. Interior. Accessibility. Landscaping.

Bucksport

Archives/Museum

Northeast Historic Film **\$75,000**

Facility: Primary building built in 1916. renovated in 2001. Storage area built in 2003 of concrete & steel.; Heat, some portions are air conditioned. Storage area has temp & humidity controls.

Arts Commission

Northeast Historic Film **\$800,000**

Facility: The brick walls need to be updated and walls. floors. lighting and other fixtures need to be finished.

Historic Preservation

Buck Memorial Library **\$500,000**

Facility: Projects: Specialized.

Castine

Archives/Museum

Castine Historical Society **\$40,000**

Facility: No description; Dehumidifier & air conditioner in storage area

Historic Preservation

Abbott School **\$115,000**

Facility: Projects: Roof. Exterior.

Libraries

Witherle Memorial Library **\$2,000**

Facility: 1912 New exterior walls. accessible entrance. and plumbing upgrades. and climate control.

Deer Isle

Arts Commission

Haystack Mountain School of Crafts **\$400,000**

Facility: The auditorium needs to be expanded and a new visiting artists studio built. Facility upgrades such as re-wiring. water and wastewater treatment are needed. The studio needs new kilns and ovens etc.

Historic Preservation

Deer Isle Stonington Historical Society **\$27,500**

Facility: Projects: Drainage. Roof. Structure. Exterior. Landscaping.

Ellsworth

Arts Commission

Hancock Auditorium Associates **\$6,000,000**

Facility: Renovations consist of improved seating. production capacity. and code upgrades. The bathrooms and hearing-impaired capabilities need to be updated for ADA compliance.

Historic Preservation

Ellsworth Public Library **\$41,500**

Facility: Projects: Roof. Exterior.

Old Hancock County Jail **\$75,000**

Facility: Projects: Specialized.

Frenchboro

Municipal Vault Survey 2003

Town Of Frenchboro **\$1,000**

Facility: We need a larger safe. but don't have room for one.

Gouldsboro

Archives/Museum

Gouldsboro, Town of **\$11,700**

Facility: 1970 1970's building; 1993 records room; Hot water baseboard; no air conditioning

Great Pond

Historic Preservation

Facility: Projects: Specialized.

Hose Five Fire Museum **\$29,000**

Facility: Projects: Drainage. Structure. Exterior. Interior.

Library Park **\$20,000**

Facility: Projects: Drainage.

Norumbega Park **\$625,000**

Facility: Projects: Structure. Exterior. Landscaping.

Thomas Hill Standpipe Park **\$50,000**

Facility: Projects: Landscaping.

West Market Square Park **\$850,000**

Facility: Projects: Landscaping.

Whitney Park **\$20,000**

Facility: Projects: Landscaping.

Libraries

Bangor Public **\$5,000,000**

Facility: 1911 Needs new windows. print storage & non-print storage space. meeting space

Bradford

Historic Preservation

John B Curtis Free Public Library **\$113,000**

Facility: Projects: Exterior. Accessibility.

Libraries

John B. Curtis Free Public Library **\$300,000**

Facility: Needs new addition. accessible entrance. access to second floor

Municipal Vault Survey 2003

Town Of Bradford **\$1,000**

Facility: Would need either a vault built or at least another 2 fire proof filing cabinets

Brewer

Archives/Museum

Brewer, City of **\$600**

Facility: 1937 Brick construction. 3 levels.; Air conditioning, baseboard.

Historic Preservation

Brewer Historical Society **\$12,300**

Facility: Projects: Drainage. Exterior. Interior. Accessibility. Landscaping.

Carmel

Municipal Vault Survey 2003

Town Of Carmel **\$1,000**

Facility: Room is a growing concern. also if there was a fire I'm not sure how they would fair (those not in a fireproof file)

Carroll plt.

Municipal Vault Survey 2003

Town Of Carroll Plantation **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Dexter

Archives/Museum

Dexter Historical Society **\$700**

Facility: 1854 1854 wooden grist mill; building new storage vault; No heat; dehumidification only

Libraries

Abbott Memorial Library **\$50,000**

Facility: 1895 Needs a new accessible entrance and meeting space

Dixmont

Historic Preservation

Dixmont United Methodist Church **\$47,000**

Facility: Projects: Roof. Structure. Exterior. Interior.

Louis I Bussey School **\$12,500**

Facility: Projects: Roof. Structure. Exterior. Interior. Specialized.

Eddington

Archives/Museum

Eddington Historical Society **\$22,700**

Facility: 1974 Material is currently stored in basement vault at Town Office. Cinderblock with cement ceiling and floor. Town Office is wood frame; Storage area has dehumidifier

Municipal Vault Survey 2003

Town Of Eddington **\$1,000**

Facility: Our safe is in the basement. Hard to access and is very damp. We do have a dehumidifier running constantly.

Exeter

Municipal Vault Survey 2003

Town Of Exeter **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Greenbush

Municipal Vault Survey 2003

Town Of Greenbush **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Hampden

Historic Preservation

Hampden Historical Society, Inc/Martin Kinsley **\$18,000**

Facility: Projects: Drainage. Roof. Exterior.

Hermon

Municipal Vault Survey 2003

Town Of Hermon **\$1,000**

Facility: We are in need of more usable vault space. Very high ceiling and high shelves; need more width than height.

Kenduskeag

Historic Preservation

Case Memorial Library **\$7,000**

Facility: Projects: Exterior. Accessibility. Archaeology.

Municipal Vault Survey 2003

Town Of Kenduskeag **\$1,000**

Facility: We need more space.

Lakeville

Municipal Vault Survey 2003

Town Of Lakeville **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Lee

Historic Preservation

Mallett Hall **\$16,000**

Facility: Projects: Structure. Exterior.

Lincoln

Municipal Vault Survey 2003

Town Of Lincoln **\$1,000**

Facility: A new vault needs to be built that is sufficient in size to handle the records. Climate control needs to be addressed. As clerk I have been requesting money for this but the town council will not approve the request.

Maxfield

Municipal Vault Survey 2003

Town Of Maxfield **\$1,000**

Facility: Guidelines telling the town what should be stored in the fire proof safe & what should not.

Milford

Municipal Vault Survey 2003

Town Of Milford **\$1,000**

Facility: Need a bigger vault.

Newburgh

Municipal Vault Survey 2003

Town Of Newburgh **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Newport

Historic Preservation

Sebasticook Lake Fishweir Complex **\$35,000**

Facility: Projects: Archaeology.

Municipal Vault Survey 2003

Town Of Newport **\$1,000**

Facility: It wasn't built large enough in the 1st place. We will be constructing a new library/historical society in 2005 and we are including a large fireproof vault in the cellar for old vital records and town records.

Old Town

Archives/Museum

Old Town Museum **\$35,000**

Facility: Brick building; Heated year round

Libraries

Old Town Public Library **\$2,000,000**

Facility: 1904 This library needs an addition with adequate space for children and young adult programming and materials.

Municipal Vault Survey 2003

Town Of Old Town **\$1,000**

Facility: Vault needs to be larger. We are running out of space. This issue is being addressed by the city.

Orono

Archives/Museum

Maine Folklife Center **\$1,000**

Facility: 1920 Built circa 1920. brick. three story; no locks on windows. Need to renovate research room to monitor use of records by researchers; Hot water radiator; climate control in archive room

Page Farm & Home Museum **\$17,500**

Facility: 1833 Barn renovated as a museum in 1994; post and beam and new concrete foundation; Partial, 96% of collection on display 24/7

Arts Commission

Hudson Museum **\$10,200,000**

Facility: The building is owned by the University of Maine and was built in 1986. and needs to be brought up to ADA standards and codes.

Maine Center for the Arts **\$2,275,000**

Facility: Opened in the Fall of 1986. The Maine Center for the Arts (MCA) is a 1.629 seat performance hall offering theater. modern and classical music. dance. children's shows. and a variety of other cultural events. The renovated facility will meet or exceed established ADA guidelines.

Maine Folklife Center (University of Maine) **\$950,000**

Facility: The University will upgrade the fire suppression and security systems in South Stevens Hall.

Libraries

Orono Public Library **\$3,000,000**

Facility: This library is in the process of developing a capital campaign for a new building which will include an adequate public meeting space and children's area.

Orrington

Historic Preservation

Curran Homestead **\$83,900**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Passadumkeag

Historic Preservation

Mae H Fanning Museum **\$6,400**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Archaeology. Specialized.

Patten

Historic Preservation

Veterans Memorial Library

\$100,000

Facility: Projects: Roof. Structure. Interior. Accessibility.

Plymouth

Municipal Vault Survey 2003

Town Of Plymouth

\$1,000

Facility: No fireproof vault or safe for municipal records.

Springfield

Municipal Vault Survey 2003

Town Of Springfield

\$1,000

Facility: Another fireproof safe.

Stetson

Historic Preservation

Stetson Meeting House

\$12,500

Facility: Projects: Exterior.

Webster Plt.

Municipal Vault Survey 2003

Webster Plantation

\$1,000

Facility: No fireproof vault or safe for municipal records.

Piscataquis County

\$2,204,569

Abbot

Municipal Vault Survey 2003

Town Of Abbot **\$1,000**

Facility: I don't think it would be possible to enlarge the current vault. A better approach would be to convert the present storage room in the basement into a second archival room.

Brownville

Archives/Museum

Brownville/ Brownville Jct. Hist. Soc. **\$9,400**

Facility: 1839 1839 wood with slate roof. church building; No climate controls.

Dover-Foxcroft

Arts Commission

Center Theater **\$408,169**

Facility: Construction. renovation and asbestos removal are needed.

Historic Preservation

Blacksmith Shop Museum **\$9,000**

Facility: Projects: Roof. Structure. Exterior.

Observer Building **\$38,000**

Facility: Projects: Roof. Exterior. Accessibility.

Piscataquis County Courthouse (& Jail)-Dist+Sup **\$213,700**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Libraries

Thompson Free Library **\$700,000**

Facility: 1898 Needs a new addition. drainage repairs. accessible entrance. plumbing. heating & electrical upgrades. meeting space. children's area. and climate control.

Greenville

Historic Preservation

Moosehead Historical Museum **\$23,000**

Facility: Projects: Drainage. Roof. Exterior. Interior. Landscaping.

Moosehead Marine Museum **\$30,000**

Facility: Projects: Specialized.

Libraries

Shaw Public Library **\$8,000**

Facility: 1924 Needs new walls. drainage repair. electrical upgrade. and children's area

Municipal Vault Survey 2003

Town Of Greenville **\$1,000**

Facility: Need a bigger vault.

Guilford

Archives/Museum

Sangerville Historical Society **\$2,800**

Facility: 1810 Built c. 1810. renovations 2004; Heat with oil; no other controls

Historic Preservation

Guilford Memorial Library **\$25,000**

Facility: Projects: Drainage. Exterior. Interior.

Municipal Vault Survey 2003

Town Of Guilford **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Milo

Archives/Museum

Milo Historical Society **\$1,500**

Facility: 1851 Wood frame. new roof; Heat only

Monson

Archives/Museum

Monson Museum **\$500,000**

Facility: 1889 Wooden. former fire station. jail. town office; Two single-room gas heaters; nothing in storage area

Historic Preservation

Monson Museum **\$152,000**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Archaeology. Specialized.

Sangerville

Historic Preservation

Town Hall Sangerville	\$80,000
<i>Facility:</i>	Projects: Accessibility.

Shirley

Municipal Vault Survey 2003

Town Of Shirley	\$1,000
<i>Facility:</i>	Another fireproof safe.

Sagadahoc County

\$7,610,300

Bath

Archives/Museum

Maine Maritime Museum **\$1,374,000**

Facility: 1840 15 buildings. date range ea. 1840-2003. mostly wood timber frame construction but also balloon frame. metal sheathing on wood frame. brick veneer on steel frame; Two buildings have climate control

Arts Commission

Chocolate Church Arts Center **\$2,500,000**

Facility: Restoration of art center; the church building and annex. including ADA needs.

Maine Maritime Museum **\$1,347,000**

Facility: General facilities upgrades.

Maine Writers & Publishers Alliance **\$314,000**

Facility: Maine Writers & Publishers Alliance anticipates the following capital needs within the next three years: overhaul and upgrade of information management systems. to include development software. updated hardware. networking. and web hosting. a permanent home that promotes a cafe culture as opposed an alternate rental location.

Montgomery Theater (Morse High School) **\$43,000**

Facility: Used by the community as well as school. the facility needs new rigging. new lights in front. repair of replacement of theater seated. and interior painting. The building is accessible.

Historic Preservation

Chocolate Church Arts Center **\$337,000**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Patten Free Library **\$118,000**

Facility: Projects: Specialized.

Sagadahoc County Courthouse **\$800,000**

Facility: Projects: Drainage. Exterior. Specialized.

Bowdoin

Historic Preservation

First Baptist Church of Bowdoin & Coombs Cemetery **\$2,600**

Facility: Projects: Roof. Landscaping. Specialized.

Old Town Office **\$2,300**

Facility: Projects: Roof. Exterior. Interior.

Bowdoinham

Historic Preservation

Old School Baptist Meeting House **\$17,700**

Facility: Projects: Roof. Exterior. Accessibility. Landscaping.

Phippsburg

Historic Preservation

Phippsburg Historical Society Museum **\$2,500**

Facility: Projects: Exterior. Interior.

Libraries

Albert F. Totman Public Library **\$30,000**

Facility: 1856 This library is conducting a capital campaign for an addition. The current facility needs new windows. ADA-compliant access to its second floor. and a public meeting space.

Municipal Vault Survey 2003

Town Of Phippsburg **\$1,000**

Facility: Addition of new fireproof safe. We already have an adequate vault (safe) for most records - this would be more accessible for clerk - would have most frequently needed records.

Richmond

Archives/Museum

Richmond, Town of **\$12,500**

Facility: 1981 1981 town office with cement vault with 8" cement walls and metal door; vault filled; No windows; building, but not vault, has central air conditioning and heating

Libraries

Isaac F. Umberhine Public Library **\$250,000**

Facility: 1800 This library needs a new building; the current building needs a new roof and new windows; a new foundation and walls; drainage maintenance and repair; an accessible entrance, bathroom, and second floor; additional storage for print and non-print materials; plumbing, heating. and electrical upgrades; a public meeting room and children's area as well as climate control.

Topsham

Historic Preservation

Androscoggin Swinging Bridge **\$445,000**

Facility: Projects: Structure. Landscaping.

West Bath

Municipal Vault Survey 2003

Town Of West Bath **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Woolwich

Archives/Museum

Bayside Historical Preservation Soc. **\$700**

Facility: 1900 Wooden structure. concrete basement. water & sewer; Central heat.

Historic Preservation

Nequasset Meeting House/Church **\$10,000**

Facility: Projects: Interior.

Old Town House **\$2,000**

Facility: Projects: Interior.

Somerset County

\$3,656,695

Anson

Archives/Museum

Anson Historical Society **\$200**

Facility: 1900 Wood; Forced hot air (no air in storage, air in display room)

Municipal Vault Survey 2003

Town Of Anson **\$1,000**

Facility: Need new vault. Existing one in basement flooded in 1987 and many records were lost. Vitals & most vital records stored in safes on first floor.

Bingham

Historic Preservation

Old Free Meeting House **\$56,900**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Landscaping. Specialized.

Detroit

Municipal Vault Survey 2003

Town Of Detroit **\$1,000**

Facility: Larger vault.

Embden

Archives/Museum

Embden Historical Society **\$700**

Facility: 1850 Original Town Hall. wood w/concrete block foundation.; Wood stove heat, dehumidifier in basement room.

Fairfield

Archives/Museum

L.C. Bates Museum **\$926,000**

Facility: 1903 Brick Romanesque Revival; Lower area has dehumidifier, upper areas have fans and dehumidifiers, one area has heat

Historic Preservation

Fairfield History House **\$31,200**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Landscaping. Specialized.

Lawrence Public Library **\$91,300**

Facility: Projects: Drainage. Roof. Exterior. Interior. Accessibility. Landscaping.

Harmony

Archives/Museum

Harmony Historical Society **\$4,200**

Facility: 1954 1954 fire station; Dehumidifier

Hartland

Libraries

Hartland Public Library **\$14,000**

Facility: This facility needs ADA-compliant access to its second floor and has applied for grants without success.

Jackman

Archives/Museum

Jackman/Moose River Historical Society **\$90,060**

Facility: 1903 Wood building; No climate controls

Historic Preservation

Jackman-Moose River Historical Society Museum **\$91,155**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Specialized.

Madison

Municipal Vault Survey 2003

Town Of Madison **\$1,000**

Facility: Need another safe in the near future.

Moose River

Historic Preservation

Captain Samuel Holden House **\$56,880**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Municipal Vault Survey 2003

Town Of Moose River **\$1,000**

Facility: To have the vault and the work area in the same building!

New Portland

Libraries

New Portland Community **\$200,000**

Facility: 1889 This library needs a new building. The current facility lacks adequate storage for print and non-print materials; a public meeting space; a children's area. and climate control.

Pittsfield

Archives/Museum

Pittsfield Historical Society **\$15,800**

Facility: 1883 Former Maine Central Railroad passenger station. wood.; Oil fired hot air.

Historic Preservation

Depot House Museum/Pittsfield Hist Soc/Pittsfield RR Station **\$6,700**

Facility: Projects: Structure. Exterior. Specialized.

Libraries

Pittsfield Public Library **\$1,300,000**

Facility: 1904 This library is in the middle of a capital campaign for an addition. The current facility needs a new roof; new windows; a new foundation and walls; drainage maintenance and repair; an accessible entrance; more storage area for print and non-print material; heating and electrical upgrades; a public meeting space; a children's area; and climate control.

Skowhegan

Archives/Museum

Margaret Chase Smith Library Center **\$1,700**

Facility: 1982 Concrete basement. clapboard siding. slate roof. sand wood frame.; HVAC

Arts Commission

Lakewood Theater **\$20,000**

Facility: Upgrading theater as needed.

Skowhegan Opera House **\$30,000**

Facility: Emergency access and lighting. new seats in balcony. and period style modern lighting are needed.

Skowhegan School of Painting and Sculpture **\$240,000**

Facility: Needs include tearing down a sub-standard studio building that currently contains two shed studios for sculptors. and replacing it with a taller building that triples the work space. The planned replacement building would contain seven studios. There is a small. existing. building on campus that could be turned into an dark room facility. The Robert Lehman Library. currently housing an important collection of approximately 20.000 art books. desperately needs a heating. ventilating. and air-conditioning system. The building is not heated at all and is not appropriate for housing rare and valuable volumes. as well as non-print material. The sound system in the Old Dominion Fresco Barn desperately needs up-grading. including the replacement of the sound board. cables. speakers and micro-phones.

Historic Preservation

Skowhegan Free Public Library **\$472,900**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Smithfield

Municipal Vault Survey 2003

Town Of Smithfield **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Starks

Municipal Vault Survey 2003

Town Of Starks **\$1,000**

Facility: Clerk records are currently stored in fireproof files - there are no other facilities for other records - there is some talk of a vault.

West Forks Plt.

Municipal Vault Survey 2003

West Forks Plantation

\$1,000

Facility: No fireproof vault or safe for municipal records.

Waldo County

\$3,007,450

Belfast

Archives/Museum

Belfast Historical Society **\$3,500**

Facility: 1835 1835 brick federal. good condition. new roof and windows; Heat throughout; air conditioning in archives

Arts Commission

Belfast Opera House **\$200,000**

Facility: Compliance with the American's with Disabilities Act.

Historic Preservation

Belfast Free Library **\$40,000**

Facility: Projects: Specialized.

Libraries

Belfast Free **\$70,000**

Facility: 1887 Needs Meeting Space

Brooks

Historic Preservation

Fogg House **\$111,000**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility.

Municipal Vault Survey 2003

Town Of Brooks **\$1,000**

Facility: More room! Not enough in our vault.

Freedom

Arts Commission

Arts Center at Kingdom Falls **\$25,000**

Facility: The expansion of the current building would include incorporation of a printmaking studio and molten glass studio. Both would need special lighting. and the glass studio would need special coating for the walls to protect them from the intense heat and fire used in glass blowing.

Islesboro

Historic Preservation

Grindle Point Sailors Memorial Museum **\$16,500**

Facility: Projects: Exterior. Interior. Accessibility.

Liberty

Historic Preservation

Liberty Historical Society **\$8,000**

Facility: Projects: Exterior. Interior.

Lincolnvile

Municipal Vault Survey 2003

Town Of Lincolnvile **\$1,000**

Facility: Would like to have on the same floor and a little larger.

Palermo

Municipal Vault Survey 2003

Town Of Palermo **\$1,000**

Facility: Vault & building built in 80's. A larger vault would be useful.

Searsmont

Archives/Museum

Searsmont Town Library **\$40,000**

Facility: 2001 Wood. concrete. New Community Center. housing town offices & Searsmont Historical Society; Heat controls, no humidity controls

Searsmont Town Office **\$500**

Facility: Wood built in 2002; two walk-in vaults; Space heater in vault in winter

Searsport

Arts Commission

Penobscot Marine Museum **\$1,500,000**

Facility: The museum has eight properties on the National Register of Historic Places and capital needs include major preservation and stabilization work on one of the museum's historic homes and renovation of the upper floors of the store building to provide more exhibit space year round. Installation of an elevator for ADA accessibility is needed in that building.

Historic Preservation

Penobscot Marine Museum **\$260,000**

Facility: Projects: Drainage. Roof. Structure. Exterior. Interior. Accessibility. Landscaping.

Union Hall **\$15,000**

Facility: Projects: Drainage. Structure.

Municipal Vault Survey 2003

Town Of Searsport **\$1,000**

Facility: Money to build and install a walk-in vault.

Stockton Springs

Historic Preservation

The Colored House **\$40,000**

Facility: Projects: Exterior. Interior. Accessibility. Specialized.

Troy

Historic Preservation

Seven Star Grange **\$20,200**

Facility: Projects: Roof. Structure. Exterior. Interior. Accessibility. Archaeology. Specialized.

Unity

Archives/Museum

Unity Historical Society, Inc. **\$2,000**

Facility: 1813 1813 federal period brick building; roof over 30 years old; bricks need repointing; Baseboard heat

Libraries

Dorothy W. Quimby **\$550,000**

Facility: 1975 This library needs an addition; the current facility lacks an accessible bathroom. an accessible second floor and a children's area. They are currently working with an architect to develop plans.

Municipal Vault Survey 2003

Town Of Unity **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Winterport

Historic Preservation

Winterport Free Library Association **\$11,500**

Facility: Projects: Drainage. Exterior.

Winterport Union Meeting House **\$89,250**

Facility: Projects: Roof. Structure. Exterior. Interior.

Washington County

\$16,401,000

Addison

Municipal Vault Survey 2003

Town Of Addison **\$1,000**

Facility: Need new system for storage. No room for safe space.

Alexander

Archives/Museum

Alexander-Crawford Historical Society **\$10,000**

Facility: 1980 1980 - cement floor and one wall; other walls are wood. personal residence; Storage: Forced air heat; dehumidifier; rest of building heated by wood

Municipal Vault Survey 2003

Town Of Alexander **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Baileyville

Libraries

Woodland Public **\$20,000**

Facility: 1922 Needs new roof. second floor access

Municipal Vault Survey 2003

Town Of Baileyville **\$1,000**

Facility: Bigger vault - redesigned with new racks/shelving

Beddington

Municipal Vault Survey 2003

Town Of Beddington **\$1,000**

Facility: No fireproof vault or safe for municipal records.

Calais

Historic Preservation

Calais Free Library **\$5,000**

Facility: Projects: Roof.

Old Calais Free Hall **\$90,000**
